The care your loved one deserves

Who We Are

Based in London, Canada, Medicare Staffing Solutions INC provides highly qualified and experienced registered nurses, registered practical nurses, care assistants, and support workers to serve those who need long-term care. We aim to provide care with integrity.

Our caregivers provide a multitude of services that includes medical and non-medical help that aims to assist patients while taking into consideration their physical, emotional, and cognitive challenges. Medicare's care providers are fully trained professionals who can identify each person's requirements to give them the care they deserve.

Mission

Our mission is to deliver the best care that aims at improving the overall quality of life of those entrusted in our care by identifying their challenges and needs to make their life a little easier, a little more comfortable and a lot more dignified.

Vision

To be the benchmark in the long-term care sector by improving the quality of life of those in long-term care by delivering exceptional services and compassionate care.

Our Healthcare Services

Long Term Care Homes

We provide supportive nursing care services to individuals with functional disabilities. This care aims at reducing or removing barriers of physical or mental disability. Thus, helping them to live independently with dignity. We also help them with simple household tasks to more complex needs according to the specific care plan.

Retirement Homes

We offer nursing care, assistance with meals, help with activities of daily living, and rehabilitation services according to the care plan under the supervision of a nurse.

Hospitals

Our specially trained healthcare professionals provide acute care services in hospitals where the patient receives active but short-term treatment for illness, injury, urgent medical condition, surgical care, critical care, etc.

Home care

Our professional caregivers provide home healthcare services like medication administration, assistance with activities of daily living, meal assistance in the comfort of one's home.
